

UR DESTINATION GUIDE

INTERNSHIP PROJECT REPORT

By

KATRU SRIJA

(Regd. No.: 20JG1A0543)

Under the esteemed guidance of

Mr. A. Uday Kumar

Assistant Professor

CSE Department

Department of Computer Science and Engineering

GAYATRI VIDYA PARISHAD COLLEGE OF ENGINEERING FOR WOMEN

[Approved by AICTE NEW DELHI, Affiliated to JNTUK Kakinada]

[Accredited by National Board of Accreditation (NBA) for B.Tech. CSE, ECE & IT – Valid from 2019-22 and 2022-25]

[Accredited by National Assessment and Accreditation Council (NAAC) – Valid from 2022-27]

Kommadi, Madhurawada, Visakhapatnam-530048

2022–2023

GAYATRI VIDYA PARISHAD COLLEGE OF ENGINEERING FOR WOMEN

DEPARTMENT OF COMPUTER SCIENCE AND ENGINEERING

CERTIFICATE

This is to certify that the internship project report titled “**Ur Destination Guide**” is a bonafide work of following III B.Tech. students in the Department of Computer Science and Engineering, Gayatri Vidya Parishad College of Engineering for Women affiliated to JNT University, Kakinada during the academic year 2022-2023 Semester-2.

Katru Srija (Regd. No: 20JG1A0543)

Mentors Name

Dr. P.V.S. Lakshmi Jagadamba

Assistant Professor

Professor

(Internal Guide)

(Head of the department)

ACKNOWLEDGEMENT

The satisfaction that accompanies the successful completion of any task would be incomplete without the mention of people who made it possible and whose constant guidance and encouragement crown all the efforts with success.

We feel elated to extend our sincere gratitude to **Mr. A. Uday Kumar**, Assistant Professor for encouragement all the way during analysis of the project. His annotations, insinuations and criticisms are the key behind the successful completion of the thesis and for providing us all the required facilities.

We express our deep sense of gratitude and thanks to **Dr. P. V. S. Lakshmi Jagadamba**, Professor and Head of the Department of Computer Science and Engineering for her guidance and for expressing her valuable and grateful opinions in the project for its development and for providing lab sessions and extra hours to complete the project.

We would like to take this opportunity to express our profound sense of gratitude to Vice Principal, **Dr. G. Sudheer** for allowing us to utilize the college resources thereby facilitating the successful completion of our project. We are also thankful to both teaching and non-teaching faculty of the Department of Computer Science and Engineering for giving valuable suggestions for our project.

We would like to take the opportunity to express our profound sense of gratitude to the revered Principal, **Dr. R. K. Goswami** for all the help and support towards the successful completion of our project.

ABSTRACT

The presented “travelling website” encapsulates the foundation of a dynamic and visually engaging travel website titled "Ur Destination Guide." This website aims to captivate users' wanderlust by offering a digital gateway to a myriad of global destinations. Through a meticulously crafted interface, the platform endeavors to entice, inform, and inspire travel enthusiasts. In essence, "Ur Destination Guide" endeavors to ignite a spirit of adventure, promising users a digital voyage filled with discovery, inspiration, and a longing to traverse the globe's diverse tapestry of cultures and landscapes.

Welcoming visitors with captivating visuals and inspiring quotes, inviting them to embark on a journey of exploration and discovery. Providing insights into the ethos of "Ur Destination Guide," introducing a team of passionate globetrotters dedicated to curating unforgettable travel experiences. Showcasing a curated selection of international destinations, accompanied by vivid imagery, enticing descriptions, and categorization to facilitate easy exploration.

Introduction

In the dynamic realm of the internet, where the virtual and real worlds seamlessly converge, web design serves as the artistic and technical backbone that shapes our digital experiences. Web design is not merely about creating visually appealing websites; it's a multidisciplinary craft that combines creativity with functionality, user experience with aesthetics, and technology with design principles.

Welcome to "Ur Destination Guide," a captivating online space designed to ignite the wanderlust within you. This website seamlessly blends aesthetics with information, offering a visually appealing and user-friendly platform for travel enthusiasts.

The homepage invites visitors with a striking headline, "Travel with Us," accompanied by an enticing quote that sets the tone for adventure. Engaging visuals and a call-to-action link encourage users to delve deeper into the world of "Ur Destination Guide."

1.1 Problem statement

Travelers have lack of information and knowledge regarding the international destinations, tourist attractions, world wide traditions cultures and tourism. So this highlights the necessity for a new innovative destination guide which provides top International tour destinations, details and tour packages.

1.2 Objective

The objective for the travel website seems to be the creation of an online platform called "Ur Destination Guide" dedicated to providing information and enticing users to explore various travel destinations.

Informative Showcase: Present information about different destinations in an engaging manner, utilizing images and text to showcase the beauty and attractions of each location.

User Engagement: Encourage user engagement through seamless navigation, compelling imagery, and persuasive messaging to evoke the desire to travel.

Overall, the objective is to create an engaging and informative platform that inspires users to explore different destinations and possibly consider booking travel packages or seeking more information about international holiday destinations offered by "Ur Destination Guide."

System Analysis

Software Requirement Specification:

FUNCTIONAL REQUIREMENTS:

Navigation:

Users should be able to navigate through different sections of the website using the menu links provided in the header. Each link should direct users to the corresponding section smoothly.

User Interaction:

Provide an intuitive and engaging user interface that encourages interaction and exploration, making it easy for users to access desired information.

NON-FUNCTIONAL REQUIREMENTS:

1.Performance:

The website shall load within an acceptable time frame.

2.Compatibility:

The website shall be compatible with modern web browsers.

3. Security:

Basic security measures shall be implemented to protect against common vulnerabilities.

4.Maintainability:

Write clean and well-structured code to facilitate future updates, maintenance, and modifications.

5.Consistent design:

Maintain a consistent design language and user interface throughout the website.

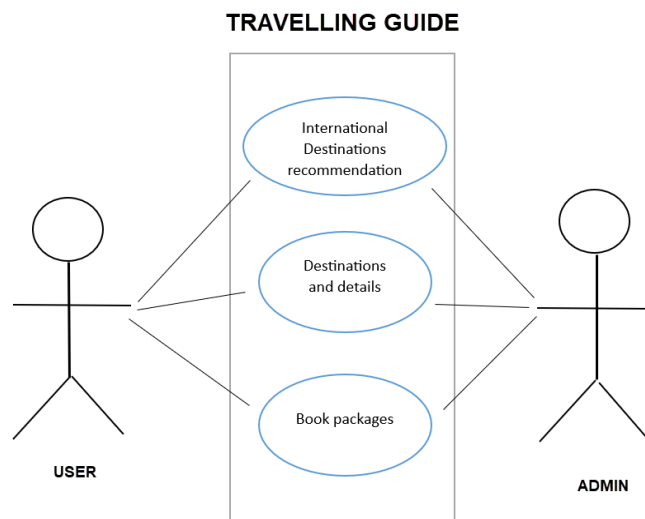

System Design

4.1 Introduction:

We are here to guide all our customers towards your favourite destination locations. Our main motive is to suggest all the top desired international destinations to the travellers and make their holiday trip a memorable one.

4.2 UML diagrams:

4.2.1 Use Case Diagram:

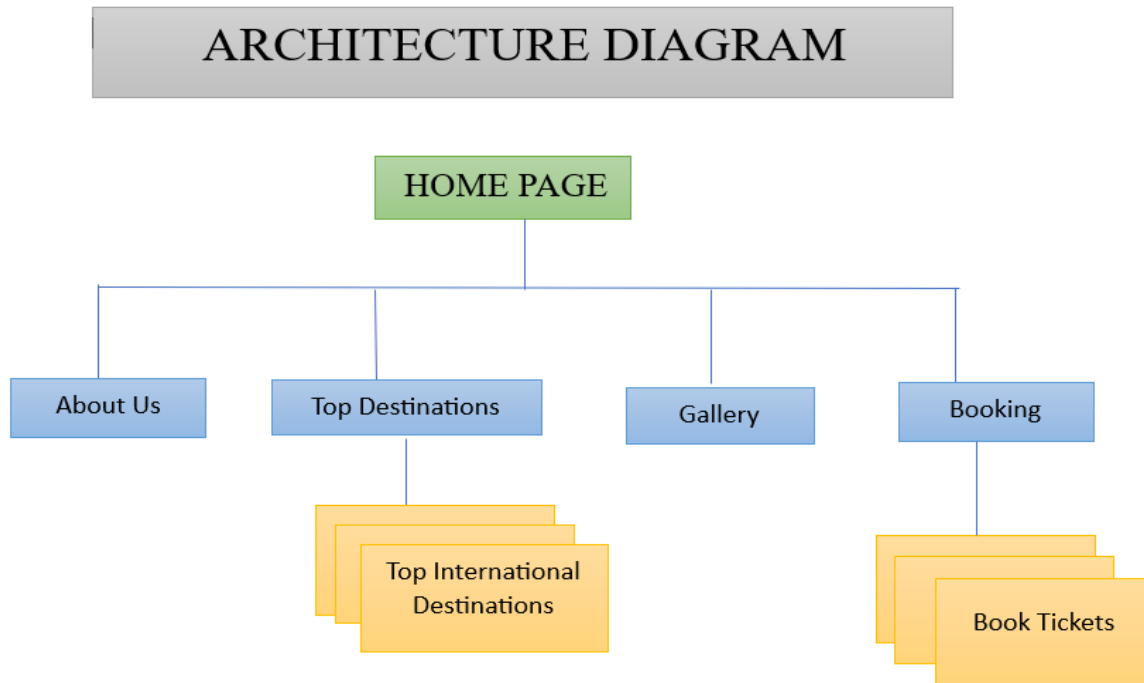

4.2.4 Activity diagram:

METHODOLOGY

5.1 Architecture Diagram:

5.2 Modules and Description:

1. HomePage:

- **Description:** A welcoming and visually appealing travel page featuring homepage, destinations gallery, booking.

2. Destination Recommendation:

- **Description:** : Top International holiday destinations are recommended to the travelers.

3. Gallery section:

- **Description:** Here, the gallery consists of the images of top international destinations, their tourist attractions, traditions, culture, tourism, food etc.

4. Booking:

- **Description:** Individual details for each destination featuring comprehensive information, including top attractions, local culture, weather, visa requirements, and travel tips. Also provide a booking option which redirects to the top recommended tour packages of each destination.

Conclusion

In conclusion, the "Ur Destination Guide" HTML code endeavors to be a dynamic and user-centric resource for travel enthusiasts. By combining a well-structured layout with engaging content and responsive design, the code aims to inspire and guide users in their quest to discover the beauty and diversity of the world's travel destinations. We are here to guide all our customers towards your favourite destination locations. Our main motive is to suggest all the top desired international destinations to the travellers and make there holiday trip a memorable one.

Travel shows you that you can navigate a foreign country, make new friends, and overcome difficult situations.
